

If you care about the Future of your Fishery

Join Us Now!

By being a financial member of this dedicated association you will help us continue to improve and protect the return of our salmon.

We Oppose

- water abstractions from rivers and streams
- pollution of waterways
- damage to riparian areas
- illegal and unsporting angling practices

Our Activities Include

- assisting the by-catch verifier programme
- lobbying for the protection of spawning areas
- assisting the McKinnons Creek hatchery programme
- keeping anglers informed

For just \$20 p.a. I wish to become a member of the New Zealand Salmon Anglers Association (SC branch). This enables myself and my immediate family to enter competitions, receive newsletters, hire the SCSAA Rangitata Hut and become part of an organization that are making a difference to the future of our fishery.
